**CHALLENGE ONE**  
Find out about  
Colchester Castle  
and then design  
your own Castle

The Castle had a big ditch around it to stop people getting in.

The towers big turrets meant that people could fire arrows through small slits in the wall and not get hit themselves.

The Castle was on a hill so they could see danger from far away.

# DAY SIX - BUILD A CASTLE

BIG **6** CHALLENGE  
HISTORY

What would your Castle look like?  
How would you keep people out or attract people in?

Would it be a new looking building or an old building?  
Is it built for battle or to live in?

# DAY SIX - BUILD A CASTLE

Draw your castle here

What is the name of your Castle?

# DAY SIX - BUILD A CASTLE

What would you use  
your castle for?

Castle? Why was it built like that?
