## Umpiring and the ACO

SETTING UP THE GAME

LAWS 01 – 12

BEGIN

### Basics of Umpiring

Are you required to umpire for 5 or 10 overs at the weekend? Are you confident in the white coat? If not this resource is for you...

The 'Basics of Umpiring Resource' contains the umpiring basics ranging from the key Laws to basic field craft. Use this resource as you wish, view it once or return frequently to refresh your knowledge. This resource is free for you to improve the game day experience for yourselves, your teammates and your opposition!

CLICK TO BEGIN

### Umpire Stage Three

This course is designed for experienced umpires who aspire to stand at the highest level of league cricket and is available to anyone who has attended the Stage One and Two courses or equivalent. As well as the interpretation and application of Law 8 also covers the management of the match, the field and the players on it. Man management and other practical aspects are also covered. The course will be suitable for those umpires who, although not aspiring to Premier League cricket, still want to develop their skills to be the best umpire they can be.

To narrow the search for courses to your local area, please use the 'Map View' which you can access at the top right of the course finder page. Please do not adjust the pre-set filters as this will not show any course results.

FIND A COURSE NEAR YOU

### Umpire Stage Two

This course is designed to give you further knowledge and skills sufficient to enable you to become a member of a league panel and is available to anyone who has attended the Stage One. It will complement that course by looking beyond the basic laws, build on field craft and match management techniques and introduce the concept of working, as a team, with a colleague.

To narrow the search for courses to your local area, please use the 'Map View' which you can access at the top right of the course finder page. Please do not adjust the pre-set filters as this will not show any course results.

### Umpire Stage One

This course is designed to give you an overview of the basic Laws of the game and how to apply them and introduce the principles of field craft and match management. It will give you the tools to enable you to umpire matches at the basic recreational level where there are no independent umpires appointed.

To narrow the search for courses to your local area, please use the 'Map View' which you can access at the top right of the course finder page. Please do not adjust the pre-set filters as this will not show any course results.

## SCORING

### Introductory Course

The aim of this course is to provide you with the basic skills and knowledge to record a cricket match. It won't teach you everything you need to know, but it will give you the tools and confidence to get started.

Topics covered include: completing a scoring record, recognising umpire's signals, standard scoring symbols.
