

DBS Information Sheet – January 2025

Once on the Update Service you will receive two emails to action one month before your DBS expires. One from dbs@ecb.disclosures.co.uk and one from donotreply@dbs.gov.uk government website. You will need to log in via both emails, if you do not action them, your DBS will expire.

DBS Verification:

Once your application has been initiated, you will receive an e-mail with instructions to complete the verification process.

You will be asked to complete an online form to input your ID documentation eg: Passport, Driving Licence, Birth Certificate, Utility Bill, P45/P60. **Please remember to make a note of the documents you use and the dates of issue used.**

Once the application has been submitted, you will receive a further e-mail with a list of ID Verifiers local to you to enable you to get your ID documents verified. If your CSO is registered as an ID Verifier they can do this, and you should contact them as soon as you get the e-mail. Once a meet is agreed, take your **original documents** to show the ID Verifier so they can verify you. If your CSO is not registered, and the details of the local ones are inconvenient, please contact Essex Cricket as members of staff can arrange to get documents verified.

The ID Verifier will log on to the Atlantic Data system, input the document data and submit the application.

The DBS will then go through the checking process and you will receive your DBS certificate through the post in around 7-10 days. This timeframe can vary depending on the checks completed.

Once a DBS Certificate has been issued, the ECB will send an e-mail inviting the applicant to register to the Update Service so that it can be rechecked/renewed annually. This is free to volunteers. **Please confirm this e-mail so that you receive an annual e-mail for a DBS check.**

To Become a ID Verifier:

Club Safeguarding Officers may have up to two additional ID verifiers to themselves. They should email the Essex Safeguarding Team giving full details of whom they need to be Verifiers.

DBS Renewals:

If you are registered to the ECB DBS Update Service you will receive the following after a year:

Contact email from ECB to renew DBS:

Whether you are on the update service or not, you will receive an email notification directly from the ECB from email address dbs@ecb.disclosures.co.uk. This will be approx. 1 month before your renewal date (every year) asking you to log into your DBS portal to consent to your recheck and complete your annual confirmation of your role/club/contact details -**You need to do this if you are in a paid role or a volunteer.**

If you have **not** logged in and consented/reconfirmed your details, then your renewal will **not** take place. Your ECB DBS clearance will expire on your renewal date.

Contact email from the DBS Update Service:

This is external to the ECB. The DBS Update Service will also email you from their email address donotreply@dbs.gov.uk as your account is personally registered to you. **If you are a volunteer you will also receive an annual subscription email but as you are not required to pay you don't need to do anything with this particular email.**

You will need to click on the link and action both emails for your DBS to renew.

If you do get a request from the ECB to send your DBS to the ECB you should do so immediately. You will get some reminders but if you fail to send it back you will receive a letter from the ECB temporarily suspending you from all regulated activity. The County SO will be informed, and they will let your CSO know.

CSOs can keep track of applications for their club as they go through the process if they are registered as Online ID Verifiers. If they are not registered, Essex Cricket Office staff can track the progress of applications. Contact the Essex Cricket Office email : safeguarding@essexcricket.org.uk

If you earn more than £800 through your cricket activities, you will have to pay a fee for your DBS:

There is a cost to registering to the Update Service for those in paid roles. This is paid directly to the DBS Update Service (online) when registering and renewing your

subscription. Please note if you change your bank card or details this may have an impact on renewing your 'paid for' DBS.

FAQ's:

Q1. What if there is content on my DBS certificate?

All convictions, cautions and information on the DBS certificate are assessed for their relevance with respect to safeguarding children and an individual's suitability to work with children. The assessment is carried out by the ECB Vetting Panel if you have content on your DBS certificate, the ECB Vetting Panel may request further information from you to ensure you are suitable to hold a position of trust in cricket.

The existence of any convictions and/or cautions will not necessarily prevent an individual from being involved in cricket; that will depend on the nature and circumstance of the information provided and will be vetted on a case-by-case basis.

Q2. Who will know about my criminal convictions?

DBS certificates containing content will only be seen by the ECB Safeguarding Team; this information will not be shared outside of the ECB Safeguarding Team unless there is a need to share information with others in order to protect children.

All information is kept confidential and managed within a secure environment under the requirements of the Data Protection Act. Where information is shared, this is done in accordance with the requirements of 'Working Together to Safeguard Children, 2018/20'.

Q3. I have lived abroad. Can I apply for an ECB DBS certificate?

Q4. I currently live overseas. Can I apply for an ECB DBS?

Yes, applicants from overseas must complete the Non-UK resident vetting form and will require a local police check or certificate of good conduct.
