Play Off & Knock Out Stages – Additional conditions and regulations.

*A reminder that Only players who have played in **50% of their clubs completed group matches** in 2024 competition are **eligible to play in the knockout** stages of the competition. A clubs who are wanting to play players outside of this criteria must put their case in writing to countycupcomps@essexcricket.org.uk and it will be reviewed on a case-by-case basis.*

1. If, in the opinion of the Umpires, in Play Off Games, Quarter-finals, Semi-Final and Final matches, there being bad weather, it is not possible for the team batting second to complete 15 overs, nor for the match to be abandoned a new match with a minimum of 10 overs per side completed the following shall apply:-

If through Health and Safety reasons an alternative date will be arranged that is agreed by both clubs.

Within Play Off Games, Quarter finals, Semi-Final and Final there must be a result, the match shall be decided by the following form of contest: **A SUPER OVER**

In the event of the scores being tied, the teams shall compete in a one over per side eliminator to determine the winner. The following procedure will apply should the provision for a one over per side eliminator be adopted in any match.

- a) Subject to weather conditions the one over per side eliminator will take place at a time to be determined by the umpires. In normal circumstances it shall commence 10 minutes after the conclusion of the match.
- b) The one over per side eliminator will take place on the pitch allocated for the match (the designated pitch) unless otherwise determined by the umpires in consultation with the ground authority.
- c) The umpires shall stand at the same end as that in which they finished the match.
- d) In both innings of the one over per side eliminator, the fielding side shall choose from which end to bowl
- e) Only nominated players in the main match may participate in the one over per side eliminator. Should any player (including the batter and bowler) be unable to continue to participate in the one over per side eliminator due to injury, illness or other wholly acceptable reason, the relevant Laws and Playing Conditions as they apply in the main match shall also apply in the one over per side eliminator.
- f) Each team's over is played with the same fielding restrictions as apply for a non-Field Restriction Over in the Play Off Games, Quarter Finals, Semi Finals & Finals.
- g) The team batting second in the match will bat first in the one over eliminator
- h) The Umpires shall select a ball from the box of spare balls which shall be used for both overs of the one over per side eliminator. The ball to be used shall not be a new ball and should have the apparent wear characteristics of a ball that has had between 5 and 20 overs of usage. For the avoidance of doubt, a ball used in the main match shall not be used in the one over per side eliminator.

- i) If the ball needs to be changed, then playing conditions as stated for the main match shall apply.
- j) The loss of two wickets in the over ends the team's one over innings.
- k) In the event of the teams having the same score after the one over per side eliminator the team whose batter hit the most number of boundaries combined from its two innings in both the main match and in the one over per side eliminator shall be the winner.
- l) If the number of boundaries hit by both teams is equal, the team whose batter scored more boundaries during its innings in the main match (ignoring the over per side eliminator) shall be the winner.
- m) If still equal, a count-back from the final ball of the one over eliminator shall be conducted. The team with the higher scoring delivery shall be the winner. If a team loses two wickets during its over, then any unbowled deliveries will be counted as dot balls. Note that for this purpose, the runs scored from a delivery is defined as the total team runs scored since the completion of the previous legitimate ball, i.e. including any runs resulting from wides, no ball or penalty runs.

Example:

Runs scored from:	Team 1	Team 2
Ball 6	1	1
Ball 5	4	4
Ball 4	2	1
Ball 3	6	2
Ball 2	0	1
Ball 1	2	6

In this example both teams scored an equal number of runs from the 6th and 5th ball of their innings. However, team 1 scored 2 runs from its 4th ball while team 2 scored a single so team 1 is the winner.

- n) If still equal, then another one over per side eliminator shall be played in accordance with this rule
- o) If through Health and Safety reasons a Super Over is not possible an alternative date will be arranged that is agreed by both clubs.
